

## **Remarks**

### Amendments to the Claims

Claim 1 is amended to recite the subject matter of claims 18-22. Insertion of the word “sequence” in line 4 of claim 1 is supported on page 5, lines 15-25. The amendments do not add new matter.

Claim 1 as amended still links the inventions of Groups I-V.

### Sequence Listing

The paper and computer readable forms of the sequence listing filed September 23, 2005 contain all the sequences in the specification and claims. Sequence identifiers have been inserted in the specification and claims.<sup>1</sup>

### Amendments to the Specification

The specification is amended as requested to insert the description of the drawings before the Detailed Description of the invention.

---

<sup>1</sup> The Office Action mentions “claims 44-45”; however, there are no claims with these numbers in this application.

Restriction Requirement

Applicants elect Group I (claim 18) and the following species:

- a linker chain as recited in claim 15;
- variable and constant domains from the same species as recited in claim 23;
- an HLA-A2 Tax pMHC molecule; and
- a monovalent scTCR.

Respectfully submitted,  
BANNER & WITCOFF, LTD.
